Dear Editor:

How come you repeated an article? "How to meet your next door neighbor" appeared in the last issue and also in Cracked No. 2. Why? Why? Hah? Hah?

Sylvia Gold  
Lakewood, N. J.

Ed. Note: Because new neighbors moved in the building! That's why why! Hah! Hah!

Dear Ed.,

Your credit cards article was hilarious! Why not credit cards for subscriptions to Cracked?

Betty Silon  
Kalamazoo, Mich.

Ed. Note: Your letter was hilarious! Why not take your business elsewhere?

Dear Cracked:

Your "Horror House" page says "Read Ad" But like I think it's funnier than any of your other pages!

Dear Editor,

Harry Levenstein

Dear Cracked:

Thought your article on ancient psychiatry was fine. I am a psychoanalyst and I would like to know more about the fellow who wrote it. The work is a classic case of Dementia Praecox.

Ed. Note: We'd be glad to arrange visiting yours.

Dear Editor:

You keep telling us when it all started — but like how did Cracked start???

# STORY OF THE MONTH...

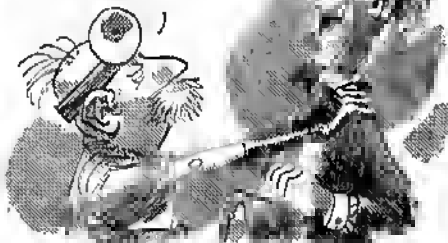

I'm afraid you'll have to undergo a rather expensive operation, Mr. Blech.

But I have no money, Doc! What am I gonna do?

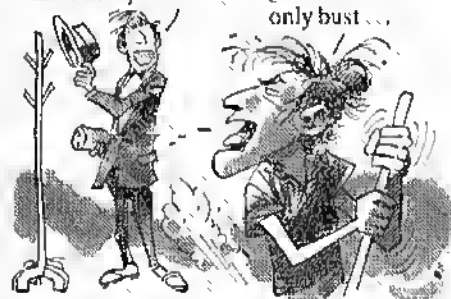

Say! I have an idea. I know a producer who wants to televise an operation. I can get him to do yours. It's free.

Sounds great, Doc! Set it up for me!

Got bad news for you, honey. Doc says I gotta have an operation.

An operation? More money? A husband I got he should only bust...

But honey, it's for free. I'm having it on television. It won't cost a cent.

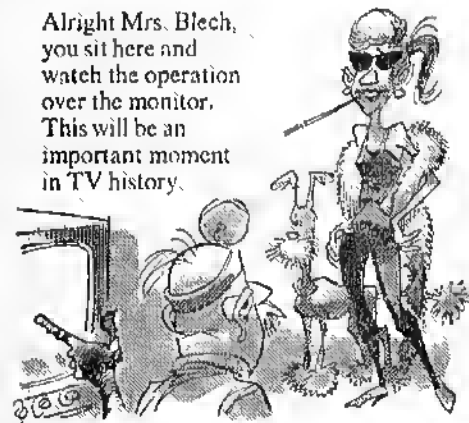

... I work my fingers to the bone and what do I...

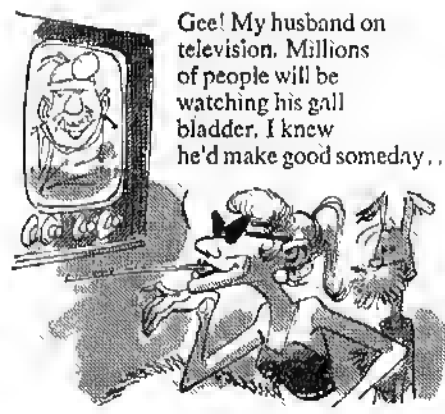

... On television? You on television? That means you'll be a star. And I'll be a star's wife. Gee! What'll I wear to your opening?...

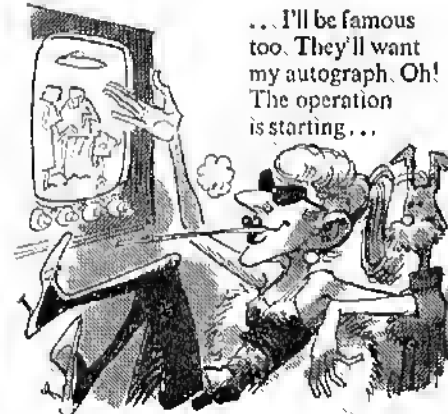

Alright Mrs. Blech, you sit here and watch the operation over the monitor. This will be an important moment in TV history.

Gee! My husband on television. Millions of people will be watching his gall bladder. I knew he'd make good someday...

... I'll be famous too. They'll want my autograph. Oh! The operation is starting...

Mrs. Blech, I'm afraid I have bad news for you. The operation was a failure. Your husband is dead.

Sol? My husband? Dead?

Well - That's Show Business!

Everybody needs an outlet for self-expression. People who go out to work usually find it in their jobs. But the poor housewife who stays at home and does the same routine, day-in and day-out, almost always remains unsatisfied. That's because she doesn't know how to use . . .

There is a wealth of interesting shapes and designs you can make to express your artistic nature.

You'll find the dramatic release of your tensions thru tantrums, to be a most exhilarating experience.

A lot of people have been complaining that they keep seeing the same shows on television week after week. The cry is for new formats, new faces, new blood. We predict the sponsors will soon be pressured into dropping a few of the old standby shows whose ratings have slipped, in favor of the newer programs. When this happens, we'd like to suggest a few...

Are you nervous? Unhappy? Miserable? This could mean you're in love. This could also mean you've been reading the articles up 'till now. Any way you look at it, both can be painful ordeals. To determine whether you're in love, or just a miserable clod, take this test and you'll find out...

# HOW TO

You can't eat.

You can't sleep

You can't seem to concentrate on your work.

You're awkward and clumsy whenever she's around

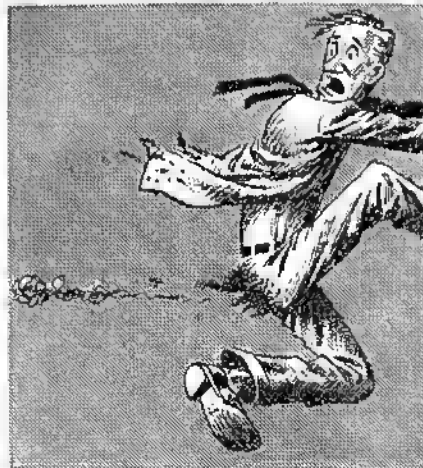

You find yourself speechless in her presence.

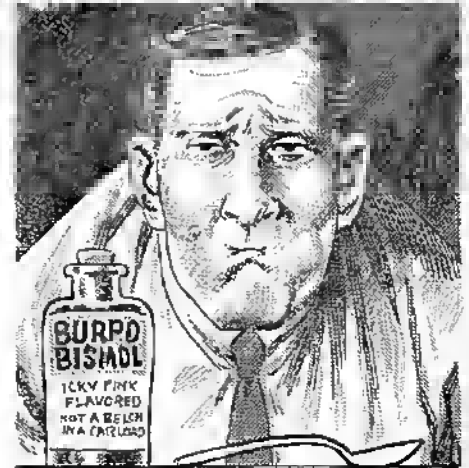

You get burning sensations when she's near you.

You just can't live without her.

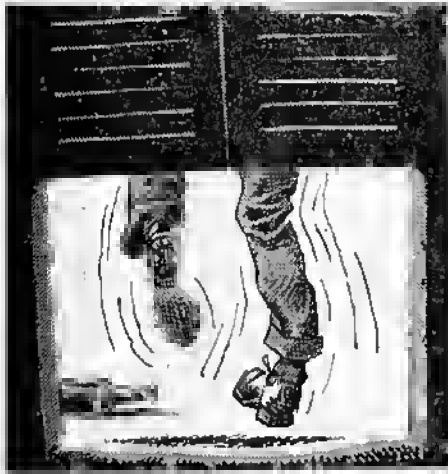

You feel like running thru the streets shouting.

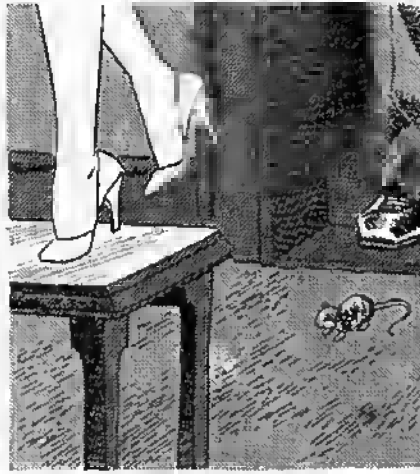

Mostly you feel like you're just plain nauseous.

# TELL YOU'RE IN LOVE

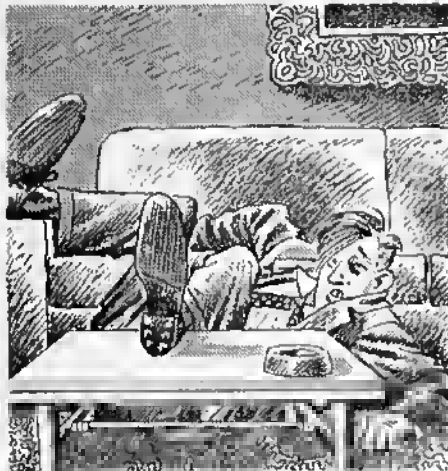

Sometimes you feel like you're walking on air.

You see her high on a pedestal.

You get goose pimples when she enters the room.

You're hurt by her slightest rejection.

Your heart feels like it's on fire.

You're terrified at first meeting her parents.

Anyone who has ever eaten in a restaurant must have come across these...

## ANNOYING TABLE COMPANIONS IN

### THE BLOWER

He's the clod who cools hot food by blowing on it — usually right in your face.

### THE DRUMMER

He's another joker who drives you crazy — by his incessant tapping on the table and floor.

### THE CLUMSY WAITER

It always seems to happen when you're wearing your new suit.

### THE CHECK FIGHTERS

They're usually on each side of you — but you wind up paying the tab.

So here I am alone in this town, dying for company. All of a sudden this beautiful girl opens my hotel room door and says (*chew crunch crunch chew*)...

### THE STORY STARTER

He's the guy who tells you a story and just at the good part decides to taste his food.

... I ask you, Dave, what would you have done in my place? ...

### THE INTERRUPTER

He's the kind who resumes his long story everytime you're about to sip your soup.

# RESTAURANTS

## THE TABLE HOGGER

He takes up almost the whole table with his cup of coffee.

## THE TABLE HOPPER

He usually comes from behind and slaps you on the back.

## THE ACTOR

He's the type who talks with his hands while eating — as food goes flying around room.

## THE DUELER

He's the man who talks to you while waving his knife and fork in your face.

## THE OVER-EAGER BUSBOY

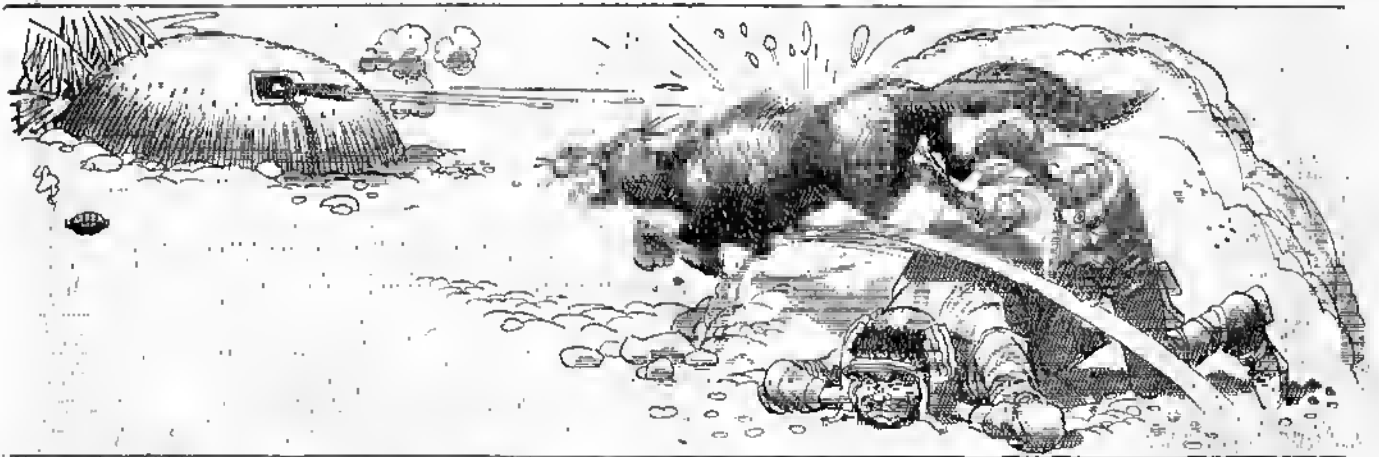

He practically grabs the food right out of your mouth.

## THE OVER-ZEALOUS MAITRE D'

He can be very annoying in his attempts to get your tip.

# The way that movie should've ended...

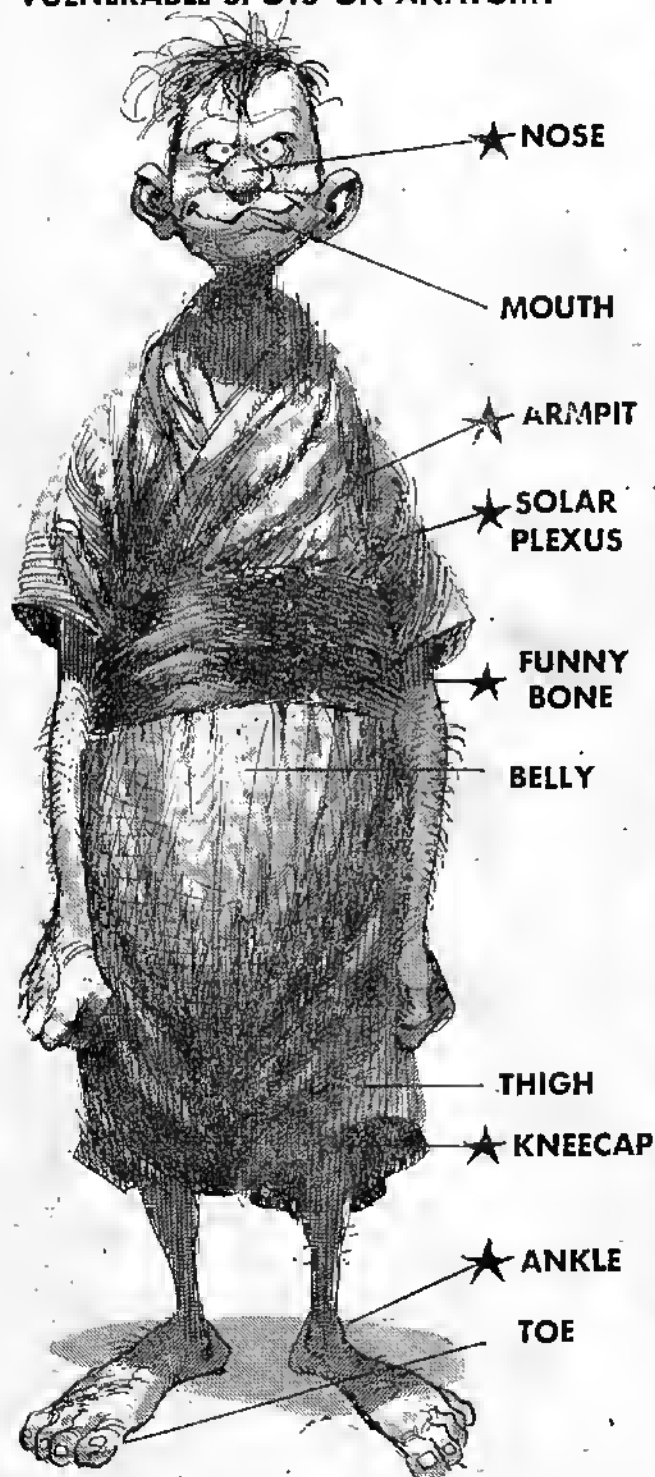

Since you're a reader of ours, we figure you often had to defend yourself from bodily harm. So like you should know how to fight back we have prepared this little article on the art of self-defense. The material used has been gathered

from our own experience, since like we here had to learn how to protect ourselves from being physically attacked — mainly because we put out articles like this one on . . .

# JUDO

## VULNERABLE SPOTS ON ANATOMY

### THE NOSE (if he's as big as you)

Jab index finger at point directly under left nostril opening, slicing upward in sudden jerk.

This technique may run into messy complications if opponent happens to have a cold.

### THE SOLAR PLEXUS (if he's bigger than you)

Thrust thumb bluntly into midsection, taking careful aim to hit vital pressure point under bottom rib.

Inaccurate aim may cause thumb to stick in belly button, giving opponent chance to club you over head.

## THE KNEECAP (If he's much bigger than you)

Strike kneecap joint with full five-finger spread, hitting it with swift sharp blow curving slightly upwards.

If blow is not delivered in precise pressure area, knee may jump in reflex action and kick you in gasket.

## THE ARMPIT (If you're in front of him)

Using pointed finger spread, hack away at center of armpit with short rapid stroke directly into crotch.

Should opponent happen to be ticklish, sudden jerk of arm may accidentally punch you in snoot.

## THE FUNNY BONE (If you're in back of him)

Punch bone at back of elbow with one quick, even shot, making sure jab is made in mid-point of joint.

Since this is funny bone, a sensitive opponent may start laughing, causing stomach to contract — and shorts to fall.

## THE ANKLE (If you're lying on floor)

Grab ankle bone firmly with clenched fist and twist from side to side in order to down opponent.

Take care that you twist ankle away from yourself, as opponent may topple over and crush you to death.

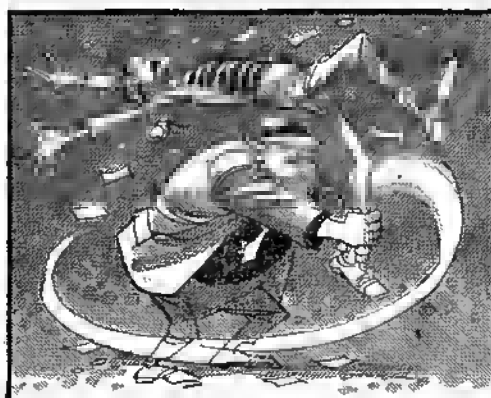

THERE ARE MANY OTHER LITTLE SIDE GIMMICKS THAT YOU CAN USE IN COMBATTING A BIGGER OPPONENT.

### THE ARM HOLD

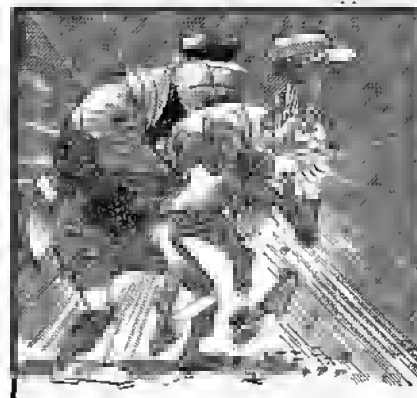

Grab arm at wrist and hack away at elbow. This will empty anything in opponent's hand.

### THE LEG HOLD

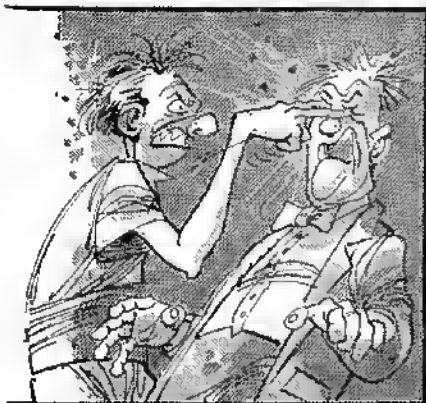

Grab leg at ankle and flip up over shoulder. This will empty anything in opponent's pockets.

### THE BODY HOLD

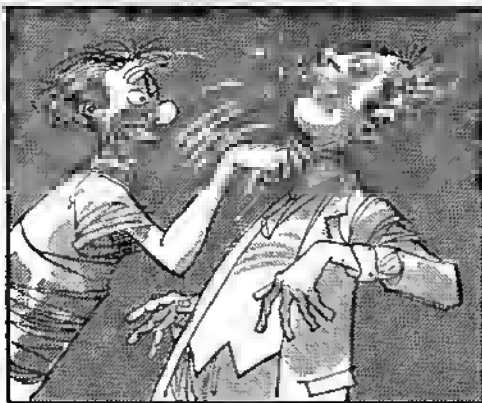

Grab body at ribs and apply crushing pressure. This will empty anything in opponent's stomach.

## THERE ARE MANY JUDO HOLDS YOU CAN MASTER WHICH WILL DISABLE AN ATTACKER ON THE STREET

Stick fingers in opponent's eye. This causes temporary blindness and he won't see where to attack you.

Pinch opponent on the Adam's apple. This causes gurgling and he won't have the wind to attack you.

Tickle opponent under chin. This causes friendly chuckle and he won't even want to attack you.

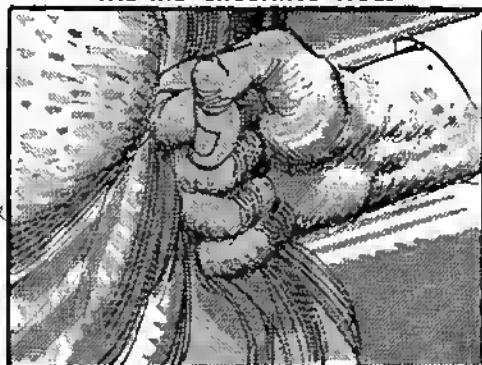

## CORRECT USE OF HAND GRIPS ARE VITALLY IMPORTANT WHEN APPLYING TO SENSITIVE AREAS ON THE BODY

### THE NECK TWISTING GRIP

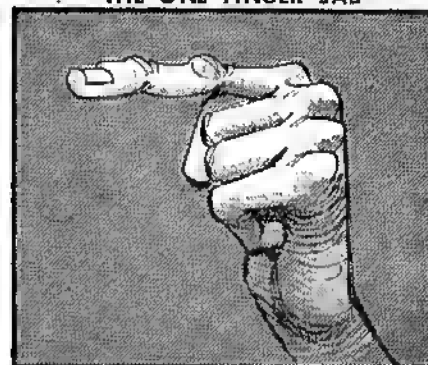

A squeeze in appropriate area will make opponent gurgle.

### THE RIB CRUSHING HOLD

A tight fist grip in the appropriate area will make opponent gasp.

### THE ONE FINGER JAB

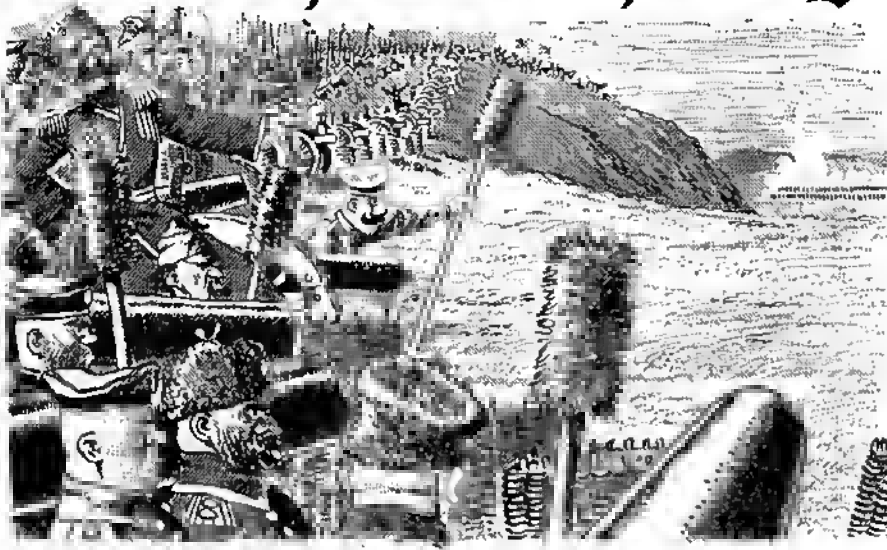

A thrust in the appropriate area will make opponent jump.

## CHART OF DISABLING BLOWS

| TYPE OF BLOW | AREAS AFFECTED | REACTIONS  |
|--------------|----------------|--|
| HACK         | ADAM'S APPLE   | Excruciating Pain, Nausea, Face Turns Purple     |
| JAB          | SOLAR PLEXUS   | Stoppage of Breathing, Funny Feeling in Pancreas |
| KIDNEY BLOW  | KIDNEYS        | Rupture, Hernia, Fidgety all over                |
| RABBIT PUNCH | BACK OF HEAD   | Red Face, Loosened Teeth, Followed by Headache   |
| SCRAPE       | EAR LOBE       | Ticklish Sensation, Then Wax Falls From Ears     |
| PINCH        | EYEBALLS       | Erotic Sensation, Then Cloudy Vision             |
| SLAP         | CHEEK          | Opponent Slaps Back                              |
| THUMB JAB    | END OF SPINE   | Opponent Jumps Up,                               |
| CLAP         | HANDS          | Opponent Takes Bow                               |

# The Charge of the

1  
Half a league, half a league  
Half a league onward,  
All in the valley of Death  
Rode the six hundred.  
"Forward, the Light Brigade!  
Charge for the guns!" he said,  
Into the valley of Death  
Rode the six hundred.

3  
Cannon to right of them,  
Cannon to left of them,  
Cannon in front of them  
Volleyed and thundered;  
Stormed at with shot and shell,  
Boldly they rode and well,  
Into the jaws of Death,  
Into the mouth of Hell  
Rode the six hundred.

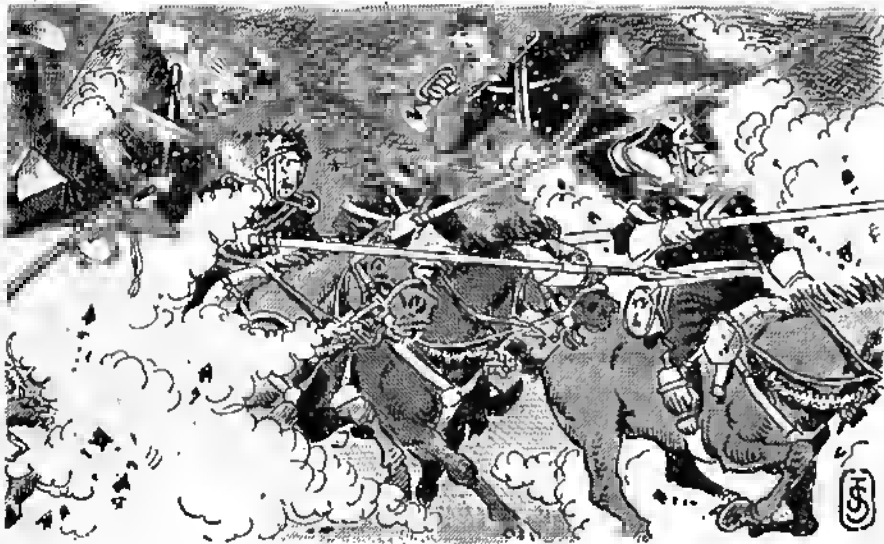

5  
Cannon to right of them,  
Cannon to left of them,  
Cannon behind them  
Volleyed and thundered;  
Stormed at with shot and shell,  
While horse and hero fell,  
They that had fought so well  
Came through the jaws of Death,  
Back from the mouth of Hell,  
All that was left of them,  
Left of six hundred.

# Light Brigade

2

"Forward, the Light Brigade!"  
Was there a man dismayed?  
Not though the soldier knew  
Some one had blundered:  
Theirs not to make reply,  
Theirs not to reason why,  
Theirs but to do and die.  
Into the valley of Death  
Rode the six hundred.

4

Flashed all their sabres bare,  
Flashed as they turned in air  
Sabring the gunners there,  
Charging an army, while  
All the world wondered:  
Plunged in the battery-smoke  
Right through the line they broke;  
Cossack and Russian  
Reeled from the sabre-stroke  
Shattered and sundered.  
Then they rode back, but not,  
Not the six hundred.

6

When can their glory fade?  
O the wild charge they made!  
All the world wondered.  
Honor the charge they made!  
Honor the Light Brigade,  
Noble six hundred!

# NATIONAL ADVERTISING

Cracked has been around for almost two years now, and in all that time we never spent a penny for advertising. Mainly, because we never had a penny for advertising! But we thought if we did have some money to pay for those large-scale ad campaigns, they might look something like this...

says The Breakbeam Kid,

This is so I can buy a copy of CRACKED to comfort me during my many long trips. Since I travel a good deal, it's useless for me to have a yearly subscription because they'll never know where to send it next. Besides — the way the world looks to me — I'm not making any long-range plans!

Popoff plays the role of a suave swab. Unlike the Western version, his humor is subtle, but still a rib tickler.

Popoff has a girl in every port. Her name is CaviarOil, a rare combination of ugliness and homliness.

Faced with a crisis like the one above, Popoff derives super-human strength from his con at concentrated Vodka.

# ARE COMICS OUR CHILDREN

**LONE RANGER**  
MASKITIS DEMENTIA

Definite introvert type. Keeps by himself all the time. Won't let others get to know him. Wears mask to conceal probable physical deformity which he feels inferior about. Has formed abnormal relationship with a man called "Tonto," who also shows well-developed psychotic tendencies.

**TARZAN**  
APIS PERVERSIA

Has a strange compulsion to swing from trees. Beats chest wildly and talks to animals. Engages in irregular behavior with a chimpanzee. Unmistakably atavistic nature, due to a severely retarded libido. Finds it difficult to communicate with others, probably stemming from an early childhood conflict.

**LIL ABNER**  
DOGPATCHIS HILLBILLIA

Extraordinary case of stunted intellectual growth. Very low I. Q. is seen in his inability to make intelligent rationalization. Probably caused by a faulty upbringing by maladjusted parents. Strong-willed mother who dominates a weak father who eats nothing but pork chops. Clear oedipus complex.

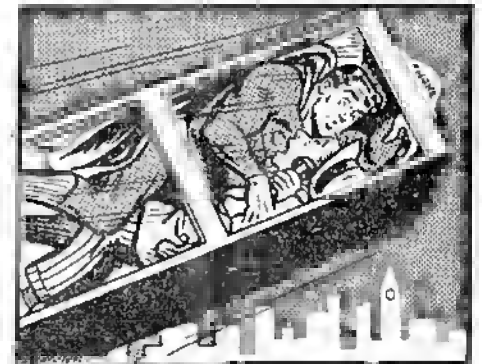

**ARCHIE**  
TEENAGIS IMMATURA

Painfully immature. Cannot fully develop into adult. Completely typical, has no individuality. Displays violently irrational behavior. Is very accident prone, which is symbolic of a desire not to grow any further, remaining in an infantile state, completely devoid of responsibility.

**MUTT AND JEFF**  
DOUBIS IDIOSIA

A very strange pair. Definitely a neurotic attraction, in which each finds complete fulfillment in the other. Neither ever relates at all to the opposite sex. Standard case of arrested libido growth. A good guess is that Mutt finds in Jeff the father he never had.

**SUPERMAN**  
SCHIZOPHRENIA CLARKENTIS

Possesses an extreme split-personality. Overly meek at times, then suddenly becomes a manic-depressive. This indicates a poorly balanced psyche control. Also has a peculiar habit of disrobing in telephone booths. Can be dangerous if let loose.

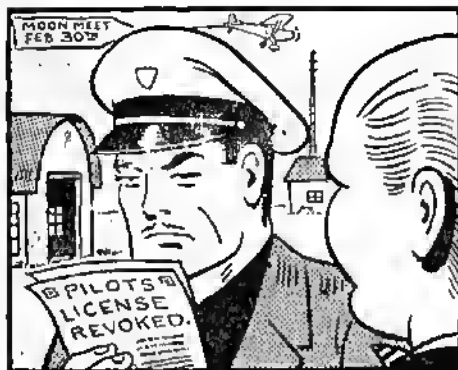

# RUINING

# ?

YES! Says Dr. O. Kropotkin, world famous psychoanalyst. Our comic heroes are all neurotic and psychotic. Children are being unhealthfully conditioned, and tend to develop the fears and anxieties of these characters. In support of his claims, Dr. Kropotkin offers the following analyses of leading comic strip heroes...

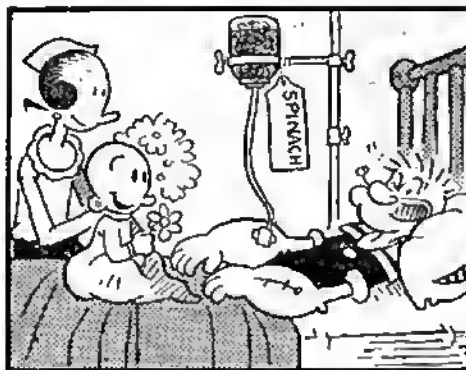

**DR. OSGOOD KROPOTKIN**

**SMILIN' JACK**  
SILLYTIS GRINNIA

Contrary to name, subject never smiles. Walks around with pained expression on face, indicating excessive melancholia, due to deeply-rooted fears and anxieties. Passion for airplanes suggests immature desire to escape from reality. Unhealthfully attached to "Downwind," a strange narcissistic type.

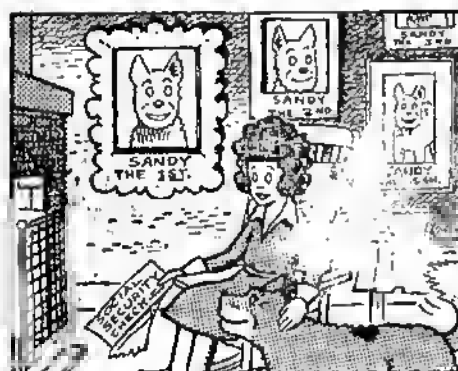

**POPEYE**  
SPINACHIS EATIA

Has a neurotic craving for spinach, without which subject cannot function to full potential. Going with girl named "Olive Oil" for 16 years and cannot enter into a mature marriage relationship. Instead he finds gratification in company of a paranoic named "Wimpy," who has an odd fetish for hamburgers.

**FRANKENSTEIN**  
MONSTERIS KARLOFFA

Moody, sullen, neurotic behavior. Unable to form human relationships. Shows symptoms of reverse persecution complex. Insecurity probably due to super sensitivity with regard to his appearance. Strange walk symptomatic of inner instability. Needs love and affection to subsist normally in society.

**ORPHAN ANNIE**  
LEAPINLIZARDS PRAECOX

Keeps wearing same dress all the time, showing complete disregard for conventional standards. Diluted pupils of the eyes indicate a rare type demented make-up. Claims to hear voices of a dog named "Sandy." Conflict lies in a distorted Father image, manifesting itself in a "Daddy Warbucks."

**MARY WORTH**  
BUTTINIS NAGIA

Desperately sick old lady who apparently experiences a neurotic satisfaction in constantly interfering with the lives of others, messing them up considerably. Indicates a subconscious hostility toward society in general. Maintains a mother-image personality to bring about her sick ends.

**SANTA CLAUS**  
XMAS CHOLERIA

Decided extrovert-type. Has unnatural obsession to give away things for nothing. This is probably a cover up for guilt feelings developed in early childhood. Smiling, jovial nature is disguise against hypersensitivity due to huge size. Lives alone in remote corner of globe and talks to reindeer.

# THOUSANDS NOW PLAY who should never play at all!

## Thrilled by Playing

I was always too busy to study the piano. Then I decided to take your course. Today I'm a pretty good piano player—only everything I play sounds like the Missouri Waltz!

\*H. Truman, Independence, Mo.

## Won't Take \$1,000 for Course

Before I took your course I didn't know the first thing about music. Now I do know the first thing about music, namely—don't look for easy short cuts like your ridiculous course!

\*A. Goffrey, Richmond, Va.

## Plays After Two Months

Your lessons are hat stuff. They're so simple a two-year old child can understand them. Why in blazes can't you make it so as a grown person can figure them out, huh?

\*Sol Nero, Rome, Italy

## Plays Hit Songs

After taking your reelin' course for only 3 weeks, I was able to play a Chopin medley. I was able to play it on the piano which I studied for 18 years. Still can't figure out your stupid cello lessons!

\*D. Arnaz, Calcutta, India

## Shares With Husband

I was always shy and backward. Since I took up the accordion I now get invited to parties and have widened my social life. People applaud with glee everytime I finish a number and take a bow.

\*J. Mansfield, Hollywood, Cal.

\* All names have been changed to protect the guilty

## You, too, can play any instrument by this EASY X-Y-Z method

**Y**ES, we will teach you how to play a musical instrument overnight. If you want to play a musical instrument in the daytime our prices are slightly higher. Let us do for you what we did for Van Cliburn. We mailed him one of our circulars.

### We Can Do The Same For You!

We actually show you how to play the piano. You won't be able to play it—but you'll know how! It's so easy you don't need any talent. You don't even need an instrument. All you need is the money to pay for the course. Leave the rest to us. We will make you a trombone player in only three or four short hours. If you're already a trombone player then we'll make you a trumpet player.

**100,000 SATISFIED  
CUSTOMERS**

Yes! 100,000 satisfied customers will have been served by us if 99,999 people enroll for our course.

Join Stanley Klatch of Akron, Ohio, who studied only a short while and now amazes his friends by playing the guitar. This even amazes us, as he took the violin course!

### Special Free Offer

Send us your name and address and we will mail you free, the first four notes of "Shortnin' Bread"
